---

CORRY MICRONICS, INC

**Corry Micronics** is your source for Diplexers, Multiplexers, RF/Microwave Filters and EMI, Low Noise, and Power Amplifiers, Microwave RF Matrix Switches, Couplers, switch filter banks, and customized, electronic and RF design engineering services.

<https://cormic.com/>

---

**Sonoma Scientific** manufactures high-quality RF/Microwave ferrite isolators and circulators Frequency coverage 40 MHz to 40 GHz. Designs to 4 KW CW or more. Low intermodulation products.

<http://www.sonomascientific.com/>

---

**TechPlus Microwave** is a state-of-the-art, innovative, Microwave RF filter provider specializing in cost-effective, high-quality microwave filters and assemblies.

<http://www.techplusmicrowave.com/>

---

**Werbel Microwave LLC.** designs and manufactures power dividers, directional couplers, and other assemblies for use in communications and measurement applications.
